INTRODUCTION

I am a full-stack web developer who graduated with a degree in information engineering. Experience working on projects through Independent Study in the Kampus Merdeka program, volunteering, and collaborative projects. As an adaptable learner, I have successfully tackled various problem-solving challenges both individually and as part of a team. I am motivated to continue growing and contributing.

EXPERIENCE

PT. Impactbyte Educational Technology | (Independent Study from Kampus Merdeka) (Feb 2023 – Jun 2023)
